Reinvent the Boardroom

The Tides Inn invites you to experience a variety of indoor and outdoor meeting venues, with more than 5,000 square feet of recently refreshed meeting and social spaces. Graced by idyllic views of Carter's Creek, our newly enhanced venues include elevated details and décor reflective of a modern coastal ambiance, and elevated programming in the new Marker Space and Chef's Kitchen. Our full service catering and conference planning team will create a memorable experience for your group, offering an array of local experiences such as Duffy boat excursions, oyster pairings and roasts, and use of the Tides Inn's cruiser bike fleet for wine tastings and museum tours throughout the quaint town of Irvington.

Meeting Spaces

Meeting room configurations can accommodate parties of all sizes, from intimate settings of six to gatherings for a hundred or more. The Tides Inn also offers a selection of outdoor venues surrounded by the natural beauty of the Chesapeake region.
